Care instructions

Fabric and Upholstery

Vacuum Regularly:

Use a vacuum with a soft brush attachment to gently remove dust and debris from fabric surfaces.

Spot Clean:

Blot spills immediately with a clean, dry cloth. For deeper stains, use a fabric cleaner designed for upholstery, following the manufacturer's instructions.

Wood

Temperature and Humidity:

Maintain a stable indoor climate to prevent wood from expanding or contracting. Avoid placing furniture near heat sources, air vents, or direct sunlight.

Protection from Spills:

Wipe up spills immediately with a soft, damp cloth to prevent stains and water damage. Use coasters, placemats, and tablecloths to protect surfaces from scratches, heat, and moisture.
